Re: Bailey Shoppes on Market

A developer is interested in creating a small retail & office complex at the corner of Market Street and Bump along Road. These lots are within 500 feet of your property. This proposal would require a Conditional Zoning District approval from New Hanover County.

A Conditional Zoning District allows particular uses to be established only in accordance with specific standards and conditions pertaining to each individual development project. Essentially, this means that only that use, structures and layout of an approved proposal can be developed. An exhibit of the plan layout and surrounding area is attached.

The County requires that the developer hold a meeting for all property owners within 500 feet of the tract boundary, and any and all other interested parties. This provides neighbors with an opportunity for explanation of the proposal and for questions to be answered concerning project improvements, benefits and impacts.

A meeting will be held on Tuesday, January 30<sup>th</sup>, in the **Pine Room** of the New Hanover County NE Library (access through the main library), 1241 Military Cutoff Road., 6:00 p.m. If you cannot attend, you are also welcome to contact me at telephone # 620-2374, or email [cwolf@lobodemar.biz](mailto:cwolf@lobodemar.biz) with comments and/or questions.

We appreciate your interest in the project and look forward to being a good neighbor and an asset to the community.
