CONSIDERATION OF A CONDITIONAL ZONING DISTRICT

The Conditional Zoning District procedure is established to address situations where a particular land use would be consistent with the New Hanover County Land Use Plan and the Zoning Ordinance objective and where only a specific use or uses is proposed. The procedure is intended primarily for use with transitions between zoning districts of very dissimilar character where a particular use or uses, with restrictive conditions to safeguard adjacent land uses, can create a more orderly transition benefiting all affected parties and the community-at-large. The applicant must explain, with reference to attached plans (where applicable), how the proposed Conditional Use Zoning District meets the following criteria.

1. How would the requested change be consistent with the County's policies for growth and development? (For example: the Comprehensive Plan and applicable small area plans)

The policies for growth and development encourage projects which revitalize commercial corridors and infill development on vacant or blighted areas and promote business success and workforce development.

2. How would the requested Conditional Zoning District be consistent with the property's classification on the Future Land Use Map located within the Comprehensive Plan?

The site is designated as "community mixed use". Small scale developments are preferred in community mixed use and the site is appropriately located where infrastructure is or will be in place to enhance the needs of surrounding community and provide services to residential developments near the site.

3. What significant neighborhood changes have occurred to make the original zoning inappropriate, or how is the land involved unsuitable for the uses permitted under the existing zoning?

The existing zoning is R-10 (CUD) and contemplates an apartment complex. There are a mixture of commercial uses already in existence along N. College Road and the proposed rezoning will provide an additional commercial use which when developed will be in harmony with and benefit the area.

**REPORT OF COMMUNITY MEETING REQUIRED BY
NEW HANOVER ZONING ORDINANCE
FOR CONDITIONAL DISTRICT REZONINGS**

Location: 2608, 2618 & 2624 N. College Road

Proposed Zoning: B-2 Conditional Zoning District

The undersigned hereby certifies that written notice of a community meeting on the above zoning application was given to the adjacent property owners set forth on the attached list by first class mail, and provided to the Planning Department for notice of the Sunshine List on July 25, 2018. A copy of the written notice is also attached.

The meeting was held at the following time and place: August 6, 2018 from 6:00 p.m. to 7:30 p.m. in the Family Life Center at Northside Church located at 2501 N. College Road, Wilmington.

The persons in attendance at the meeting were: See attached sign-in list.

The following issues were discussed at the meeting: A brief introduction was made explaining the prior approval for the 88 unit apartment project, the current request for reversion scheduled to be heard by the Board of County Commissioners and the site plan and conditions proposed for future development on the site. The following items were discussed at the meeting:

1. What changes have been made since the prior plan? Applicant confirmed that the prior plan only contemplated one B-2 use and the new plan was intended to provide, subject to the self-imposed conditions on development, more flexibility on what B-2 uses would be permitted on the site. Applicant invited those in attendance to comment on any additional conditions they would like to see on site.

2. What are examples of uses that could end up on the site? Applicant discussed a number of uses that would be permitted under the proposed zoning but confirmed that any development would include fencing or vegetative buffer along the adjacent residential neighborhood in an attempt to limit pedestrian travel from the school through the rear of the property to the homes located off of Long Drive. Applicant invited those in attendance to comment on what they would like to see on site.

3. What is the proposed traffic impact of the development? Applicant noted that the current zoning provided for an 88 unit apartment project and Applicant's desire for the new project would be a less intensive use representing a reduction of the daily trips from the prior approved apartment project. Applicant also confirmed that any use would be subject to any applicable traffic impact studies required under the ordinance.

As a result of the meeting, the following changes were made to the rezoning petition: None

RE: Notice to Interested Parties of Community Meeting

The purpose of this meeting is to cover the proposed re-zoning of certain parcels of land identified as 2608, 2618 and 2624 N. College Road, Wilmington, North Carolina from R-10 Conditional Zoning District to B-2 Conditional Zoning District. An exhibit of the plan layout and surrounding area is attached.

The County requires that the developer hold a meeting for all property owners within 500 feet of the tract boundary, and any and all other interested parties. This provides neighbors with an opportunity for explanation of the proposal and for questions to be answered concerning project improvements, benefits and impacts.

A meeting will be held on Monday, August 6, 2018 at the Northside Church, 2501 North College Road, Wilmington, NC 28405, in the Café area of the Life Center (large gymnasium building in rear of church campus) from 6:00-7:30 p.m. If you cannot attend, you are also welcome to contact me at telephone (910) 442-7870, or email at gpape@gsp-consulting.com with comments and/or questions.

We appreciate your interest in the project and look forward to being a good neighbor and an asset to the community.

**Supplemental information provided by the applicant of case Z18-14
on October 31, 2018**

**SUMMARY OF CHANGES TO
APPLICATION FOR B-2
CONDITIONAL DISTRICT ZONING
CASE NO. Z18-14**

REQUEST: Rezoning to (CZD) B-2

Applicant: College Road Development Partners, LLC

Summary of Application Changes:

The Applicant's initial conditional district proposal was different from typical conditional district proposals in that it provided more general information and proposed building areas and a range of total building square footage along with a list of uses that would be not permitted on the property. Comparing the list of uses proposed to not be allowed with the Table of Permitted Uses in the Zoning Ordinance, 77 uses would be permitted on the property; 71 uses would be permitted by-right and 6 would require a special use permit.

In response to staff and adjacent neighbor requests and to bring the project proposal in line with typical district proposals, Applicant has revised their conditional district proposal to limit the allowable uses to the following 10 uses:

- a. Eating and Drinking Places.
- b. General Merchandise Stores.
- c. Miscellaneous Retail.
- d. Banks, Credit Agencies, Savings and Loans.
- e. Barber and Beauty Shops.
- f. Business Services including printing.
- g. Funeral Home.
- h. Personal Services.
- i. Offices for Private Business and Professional Activities and
- j. Mini Warehouse with additional conditions noted below*

*The revised conditions include Mini Warehouse as a permitted use and the Applicant has proposed a number of additional conditions related to appearance, including certain building design element requirements regarding the façade of Mini-Warehouse buildings fronting North College Road.

PROPOSED CONDITIONS
APPLICATION FOR B-2
CONDITIONAL DISTRICT ZONING

The following rules, regulations and conditions shall apply to the Property described in the Application for B-2 Conditional District Zoning of Property filed by GSP Consulting, PLLC, as applicant on behalf of College Road Development Partners, LLC (the “**Owner**”):

1. The Property shall be subject to all of the specific requirements stated in the New Hanover County Zoning Ordinance (“Ordinance”) for the B-2 (Highway Business District) use as well as any additional conditions stated below.
2. The use and development of the Property shall comply with all other supplemental regulations and requirements imposed by the Ordinance or any other applicable federal, state or local law, ordinance or regulation. In the event of a conflict, the more stringent requirement or higher standard shall apply.
3. The following limited list of permitted B-2 zoning uses under the Ordinance are offered as a condition of approval:
 - a. Eating and Drinking Places.
 - b. General Merchandise Stores.
 - c. Miscellaneous Retail.
 - d. Banks, Credit Agencies, Savings and Loans.
 - e. Barber and Beauty Shops.
 - f. Business Services including printing.
 - g. Funeral Home.
 - h. Personal Services.
 - i. Offices for Private Business and Professional Activities and
 - j. Mini Warehouse with additional conditions noted below*

* The applicant proposes the following conditions related the Mini Warehouse use noted above:

- No storage of hazardous or flammable material shall be permitted.
- Proposed on-site staffed office.
- Automated Gate by security code daily with security features for after hour response.
- The façade of buildings fronting North College Road, including the onsite staffed office, shall be of a type and quality typically seen in mini-warehouse developments that mimic a non-warehouse use such as office or retail.

4. The development of the Property shall be subject to all of the specific requirements stated in Section 61.4: of the Ordinance, which requires, among others, that a Traffic Impact Worksheet be submitted to the Planning and Land Use department for Verification and in cases where the worksheet indicates traffic generation of 100 peak hour based upon the most current edition of the Institute of Transportation Engineers (ITE) Trip Generation Manual, then the applicant will be required to perform a Traffic Impact Analysis.
5. The required minimum setbacks for structures shall be calculated in accordance with Section 60.3 of the ordinance, however in no event shall the minimum setback for structures abutting residential uses and/or platted lots on residential zoned property be less than 45 feet.
