APPEAL
Application

REVIEW PROCESS

Step 1: Pre-Application Conference
In order to assist applicants through the variance process, applicants are highly encouraged to attend a pre-application conference prior to application submittal. The purpose of the pre-application conference is to provide the applicant an opportunity to become familiar with the submittal requirements and procedures of the application.

Step 2: Application Submittal
Applications must be received by the Planning and Inspections Department within 30 days of the date of the decision or interpretation being appealed. A complete application consists of the items detailed in the submittal checklist provided in this application.

Step 3: Staff Review
Upon receiving a completed application, staff may distribute it to certain departments and agencies for review. County Planning staff shall review the application, and prepare a staff report for the Zoning Board of Adjustment.

Step 4: Zoning Board of Adjustment Review and Action
The New Hanover County Zoning Board of Adjustment shall consider the application at a public hearing. Public hearings for appeal applications are conducted in a quasi-judicial manner and include additional standards for the testimony and evidence presented during the hearing. The property owner, or their attorney, must be present for the meeting.

A majority of the Board shall be necessary to reverse or modify the decision or interpretation that was appealed. The Board’s decision on the application may be appealed to Superior Court within 30 days of the decision.

An appeal of a notice of violation or other enforcement order stays enforcement action unless it is determined that a stay would cause imminent peril to life or property, or because the violation is transitory in nature and a stay would seriously interfere with enforcement of the ordinance. In that case, enforcement proceedings shall not be stayed except by a restraining order granted by a court of record in New Hanover County. If enforcement proceedings are not stayed, the appellant may file a request for an expedited hearing of the appeal, and the Board shall meet within 15 days after such request is filed.

The Planning and Inspections Department shall notify the public of the hearing in accordance with standards of the Zoning Ordinance. This includes sending mailed notice to nearby residents, posting a sign on the subject property, and advertising the hearing in a local newspaper.
