APPLICATION OVERVIEW

In order to assist petitioners through the rezoning process, petitioners are highly encouraged to attend a pre-application conference prior to application submittal. Petitioners are requested to review the sections of the Zoning Ordinance specific to zoning amendments prior to submission, and advised to contact Planning Staff with any questions. The following sections of the Zoning Ordinance pertain specifically to zoning amendments:

- Section 110: Amending the Ordinance
- Section 111: Petitions
- Section 112: Approval Process

Applications for zoning amendments must first be considered by the New Hanover County Planning Board at a public hearing. The Planning Board will make a recommendation to the County Commissioners which will take final action on the permit application in a quasi-judicial public hearing. Attendance at all public hearings is required. The public hearings will allow staff, the applicant, proponents and opponents to testify in regards to the request. Unless otherwise published or announced, Planning Board meetings are held on the first Thursday of each month at 6:00PM in the Commissioner's Assembly Room at the Historic County Courthouse located at Third and Princess Streets, Wilmington, North Carolina. All meeting dates and application deadlines are published on the New Hanover County Planning website.

Applications must be reviewed by Planning Staff for completeness prior to being officially accepted. Applications must be submitted to Planning Staff at least twenty (20) working days before the Planning Board meeting at which the application is to be considered. In order to allow time to process, fees and review for completeness, applications will not be accepted after 5:00 PM on the deadline day. Once accepted, the Planning Board will consider the application at the assigned meeting unless the applicant requests a continuance.

CRITERIA REQUIRED FOR APPROVAL OF A CHANGE OF ZONING

Requests for general rezonings do not consider a particular land use but rather all of the uses permitted in the zoning district which is being requested for the subject property. Rezoning requests must be consistent with the New Hanover County Land Use Plan and the Zoning Ordinance, and the applicant has the burden of proving that the request is not consistent with the county’s adopted land use plan, zoning ordinance, reasonable, and in the public’s interest. The applicant should explain, with reference to attached plans (where applicable), how the proposed zoning district satisfies these requirements. The applicant has the burden of proof and must provide sufficient evidence in order for the required findings to be met.

You must explain in the space below how your request satisfies each of the following requirements (attach additional sheets if necessary):

1. How would the requested change be consistent with the County’s Policies for Growth and Development?

   Instead of having just a grassy lot which is known to attract rodents and other unwanted pests. This business would be of help in the rotation of accidents, abandoned and stolen vehicles. Meaning it would be a storage for such vehicles as well as inside storage for people relocating. It creates a business which always promotes growth.
2. How would the requested zone change be consistent with the property's classification on the Land Classification Map?

It will allow the land to become useful!

3. What significant neighborhood changes have occurred to make the original zoning inappropriate, or how is the land involved unsuitable for the uses permitted under the existing zoning?

It is zoned grassy lot only meaning it is useless.

4. How will this change of zoning serve the public interest?

It creates a business, which creates jobs which will always be of service to our public's interest.

If an applicant requests delay of consideration from the Planning Board or Board of County Commissioners before notice has been sent to the newspaper, the item will be calendared for the next meeting and no fee will be required. If delay is requested after notice has been sent to the newspaper, the Board will act on the request at the scheduled meeting and are under no obligation to grant the continuance. If the continuance is granted, a fee in accordance with the adopted fee schedule as published on the New Hanover County Planning website will be required.

By my signature below, I understand and accept all of the conditions, limitations and obligations of the zoning district for which I am applying. I understand that the existing official zoning map is presumed to be correct. I understand that I have the burden of proving why this requested change is in the public interest. I certify that this application is complete and that all information presented in this application is accurate to the best of my knowledge, information, and belief.
