CRITERIA REQUIRED FOR APPROVAL OF A VARIANCE

The Board of Adjustment may grant a variance if it finds that strict application of the ordinance results in an unnecessary hardship for the applicant, and if the variance is consistent with the spirit, purpose, and intent of the ordinance. The applicant must explain, with reference to attached plans (where applicable), how the proposed use meets these required findings (attach additional pages if necessary).

-
1. **Unnecessary hardship would result from strict application of the ordinance.** It shall not be necessary to demonstrate that, in the absence of the variance, no reasonable use can be made of the property.

2. The hardship results from conditions that are peculiar to the property, such as location, size or topography. Hardship resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or general public, may not be the basis for granting a variance.

3. The hardship did not result from actions taken by the applicant or the property owner. The act of purchasing property with knowledge that circumstances exist that may justify the granting of a variance shall not be regarded as a self-created hardship.

4. The requested variance is consistent with the spirit, purpose and intent of the ordinance, such that public safety is secured, and substantial justice is achieved.
