Re: Pinnacle Townhome Community

As the owner of the property at 8814 Market Street, I took note of the comments made during the past public hearing on a multi-family housing proposal and have redesigned the project. The attached plan shows sixty (60) two-story, attached townhomes.

A Conditional Zoning District allows particular uses to be established only in accordance with specific standards and conditions pertaining to each individual development project. Essentially, this means that only that use, structures and layout of an approved proposal can be developed. A sketch plan of the project layout is enclosed.

The County requires that the developer notify the property owners within an adjacency to the project and hold a meeting for any and all interested parties. This is intended to provide neighbors with an opportunity for explanation of the proposal, and for questions to be answered concerning project improvements, benefits, and impacts.

Due to the current COVID-19 issue, however, a meeting cannot be held at this time. In lieu of that, you can contact the land planner, Cindee Wolf, with comments or questions at:

Telephone: 910-620-2374, or

Email: cwolf@lobodemar.biz

We can also set up an on-line meeting for a forum with multiple parties if requested. Please let me know if you are interested in that alternative and arrangements will be made. All contact, comments, concerns, and recommendations must be recorded in a report delivered to the County along with the rezoning application.

Prior to this project being reviewed by the Planning Board & Commissioners, you will receive subsequent notices of the agendas directly from the County. Those meetings provide public hearings for comment on any issues pertinent to approval of the proposal.

We appreciate your interest and look forward to being a good neighbor and an asset to the community.
